

Country-Specific News Theme Signatures: Which Themes Drive Predictions Where?
Dominant Theme by Country (SHAP-Based Analysis, n=23,039 observations, 13 countries)

Dominant Theme by Country (Highest SHAP Importance):

- Zimbabwe: Humanitarian 13.4% (humanitarian crisis + hyperinflation)
- Sudan: Governance 14.8% (state collapse + political instability)
- DRC: Other 14.3% (complex multi-faceted emergency)
- Governance dominant in 5/13 countries (Sudan, Nigeria, Ethiopia, Malawi, Madagascar)
- Other dominant in 4/13 (DRC, Mozambique, Mali, Niger) - heterogeneous crises
- Relatively flat global distribution (9.2-13.0%) - no universal theme dominates
- Map shows which theme contributes MOST to predictions per country, not elevated deviations
